

# Full-Day Kindergarten

## Now Enrolling!

Our Academy offers a full-day kindergarten program, called On My Way, as a way for your child to stay on a regular, age-appropriate learning schedule. On My Way was developed through our Life Essentials® curriculum to provide your 5-year-old with well-rounded learning experiences while receiving positive, nurturing care.

On My Way is a standards-based program that aligns to State and Common Core Standards for English Language Arts and Mathematics as well as Kiddie Academy's Life Essentials® curriculum to prepare children for entering first grade. The program includes an emphasis on quality Literature, Geography, Life and Earth Sciences, History, Writing and Creative Arts, along with a concentration on the development of social and emotional skills and other key components, setting children up for success in school. Like all Kiddie Academy programs, On My Way encourages children to explore and discover, creating a fun and rewarding experience that nurtures a lifelong love of learning.
